## **Topic Focused Database Chart**

PathoGraphics	Graphic medicine and literary pathographies with focal research points in historicity, aesthetics, politics, and epistemology.		Funded by Freie Universität Berlin, a German university		
Medical Humanities Database	Art of medicine resources including references from health sciences journals, the popular press, literary works of nonfiction, fiction, poetry, and visual art.		Created and maintained by the Center for Medical Humanities at the		
			University at Buffalo.		
Humanities International Index	Humanities	Thesaurus			
ARTstor	Images in art, architecture, humanities, and sciences.				
History of Medicine					
History of Science, Technology, and Medicine	History of science, technology, and medicine				
NLM's History of Medicine	Collections of historical material related to health and disease. Spans ten centuries and is maintained by the National Library of Medicine's History of Medicine				
	Division				
The Alan Mason Chesney Medical Archives of The Johns	Official archival repository for the Johns Hopkins Medical Institutions with materials dating from the middle of the nineteenth century to present.		Check other institutional archives or history of medicine centers.		
Hopkins Medical Institutions					
America: History & Life	Covers the history and culture of the United States and Canada from prehistory to the present.				
Applied Science & Technology Index Retrospective: 1913-19	Covers important historical scientific studies and discoveries between 1913 and 1983.	Thesaurus			
Historical Abstracts	Covers world history (excluding the United States and Canada) from the 15th century to the present.				
Law/Legal					
Hein Online	Provides information from multidisciplinary journals, government documents, case law, international resources, and additional resources.				
Nexis Uni	Provides information to news, business, and legal sources.				
Westlaw Edge	Legal research platform containing legal topics, litigation analytics, overruling risks, and quick checks.
